

2020 AWARDS FUNDRAISER – EVENT DECEMBER 3, 2020

We are facing an unprecedented time of economic downturns due to COVID-19 Pandemic. Asian American Chamber of Commerce of Greater Philadelphia (AACCGP) recognizes the need for supporting our businesses affected by this Pandemic to safely reopen and recover. Recent events have also focused on continued lack of economic and social diversity. Our businesses and community are also facing increased hate crimes which adversely impacts recovery process. AACCGP continues to support and advocate for the Asian American Community and Businesses through this recovery period and beyond. Many of our micro businesses need financial and educational assistance to recover.

We are urging our corporate partners and successful Asian businesses to generously support our effort to help our businesses to safely reopen, recover and create jobs.
